Contact details of the Data Protection Officer:

Baader Bank AG
Weihenstephaner Straße 4
85716 Unterschleißheim
Germany
Email: datenschutz@baaderbank.de

Data is required to provide research services to research clients of Baader Bank or any of its group companies. These are based on the Terms of Use to the Baader Helvea Group Research Portal and the terms and conditions contained in the Research Disclaimer.

Baader Bank and any of its group companies as well as the research client for which the user is registered may receive the personal data. The data shall be stored for the duration of the business relationship and the statutory retention period. Users are entitled to request information about their stored personal data at any time, and may also request that this personal data be deleted or amended. Users may also object to the processing of their personal data or request that this processing be limited. In addition, they may request that their personal data be transferred to them using a data carrier.

The relevant party is also entitled to file a complaint to the Bavarian Data Protection Authority. The complaint may be filed in writing, verbally or online using the following contact details:

Bavarian Data Protection Authority (BayLDA)
Promenade 27
91522 Ansbach, Germany
Tel.: +49 (0) 981 53 1300
Fax: +49 (0) 981 53 98 1300
Email: poststelle@lda.bayern.de
Online complaint: www.lda.bayern.de

Data collection is required by law for the provision of research services by Baader Bank or any of its group companies and the use of the research portal under the Terms of Use to the Baader Helvea Group Research Portal.
